Kenwood TL-922A with ten meters for sale, good tubes and good looking amp. Has a input problem only on 75 meters, may be adjustment to input coil. \$675

Also have "as new" Kenwood T599D and R-599D with cable to make them work as a transceiver, original manuals, original boxes. Collector condition. These are the later model of the 599 series. Receiver has 500hz cw filter installed. \$575.00 for the set. Not a scratch and they work as they should.
